CHAIRPERSON & CHIEF MENTOR - IGI

DR. TARITA SHANKAR

Chairperson & Chief Mentor - IGI

Pursuit of Management Education at Indira Group of Institutes has been an inspiring journey. With over two decades of existence, Indira strongly believes in the power of education to transform the youth. The philosophy, governance and values of the business are witnessing a sea change and plenty of its repercussions are already being witnessed across the globe. Indira embraces these changes and epitomizes matching innovation in curriculum. Such transformational efforts lead our aspiring managers to become professionals who develop capabilities to lead in dynamic environment.

Quality being the bottom line for every industry, Indira has never lost sight of the fact that for India to forge ahead in its drive towards economic supremacy in the world, it is the quality of our people who drive it that matters the most. And quality, as the cliché goes, is never an accident but an article of faith, and the entire faculty team at Indira embodies such dedication to quality. The Indira Croup has proven itself on this count and has no inTtention of resting on its laurels. Indira offers holistic and transformative learning experiences, designed and delivered by experts from industry and academia. While the curriculum keeps the programs contextually abreast, innovative pedagogies inspire application oriented learning. Indira strives to create good human beings and not just professionals. With the confidence that our intentions have matched our efforts, I wish you the very best in the future.

ABOUT IGSB

About Indira Global School of Business (IGSB) has been established with the explicit vision to train managers with a global perspective who can provide sustainable impetus to growing international business. IGSB has established its presence in Pune as a premier B- School offering MBA (MBA and MBA - Services Management) affiliated to Savitribai Phule Pune University and approved by AICTE, New Delhi. As a driving philosophy, the belief is that the emerging global environment has created a scenario where managers have to face greater situational challenges, predict and handle the vagaries of the market and provide sustainable strategic solutions to corporate issues. The current global economy has created an environment where managers have to face greater situational challenges; predict and handle the impulses of the market and provide quality service management. Such an environment requires professional graduates not only armed with the necessary knowledge but also the confidence of facing extreme competition with greater articulation. The IGSB campus is located imposingly adjoining the Mumbai-Pune Expressway, on a beautiful site amidst open fields and clusters of large trees in a beautiful, green valley which gives a sense of endless space to the quest of mind and soul. The infrastructure is dynamic in nature because of our constant attempt to maintain pace with the development opportunities available to us. Our infrastructure acts as a facilitator for the effective delivery of our curriculum and nurtures the quest for knowledge. The MBA programs (MBA and MBA - Services Management) at IGSB equip students with fresh insights and alternative ways of thinking, helping them to succeed in highly unpredictable and non-linear conditions, making global leaders out of them.
